TOTAL		2429 acres	

Brothers Island
Two undisturbed islands in the Bay of Fundy supporting old growth hardwood forest

Ship Rock Islands
A kayaker's paradise, four coastal islands, stunning cliffs

Yellowhead
Dramatic coastal headland, barachois pond and sand beach near Cape North

Gold River Lake
600 acres of old growth forest, diverse wildlife habitat, important salmon spawning areas, undisturbed lake shoreline and headwaters of the Gold River

Sight Point
275 acres of spectacular coastal headlands and undisturbed Acadian hardwood forest on the west coast of Cape Breton

Washabuck
180 acres of undisturbed coastal habitat and unique gypsum topography on the Bras d'Or Lakes

Cloud Lake
180 acres of undisturbed old growth forest and unique wetland complex surrounded by a provincially protected Wilderness Area

Musquodoboit Harbour
183 acres of outstanding coastal marsh ecosystems and over 1250 feet of pristine freshwater lake shoreline habitat on the eastern shore

Meander River
A conservation easement protecting rare plant species and an ecologically rich forested floodplain in Hants County

Gaff Point
Pristine coastal headland near Kingsburg Beach on the south shore

Captain Arnell
Superb granite coastal headlands, barrens, forest and lake close to Halifax

- 12 Aylesford
- 13 Gaspereau Mountain
- 14 Hardwood Lake
- 15 Moody Lake
- 16 Rines Creek
- 17 Wolfville Ridge

Nature Trust Conservation Lands
2500 Acres Protected. Forever.
