

## GIFTS OF SECURITIES

The Nova Scotia Nature Trust welcomes gifts of securities, such as stocks, bonds and mutual funds. Your gift can be made today or as part of your will. The federal government has created special incentives to encourage such gifts by eliminating the capital gains tax when securities are transferred directly to a charity.

**Please use the attached form** to direct your advisor and to inform the Nature Trust of your gift.

The required contact information to e-transfer a gift of stock or mutual funds is:
