Gift of Nature

THE GIFT OF NATURE

Celebrate the holidays and support conservation in Nova Scotia with a symbolic gift. Your gift recipient will receive a personalized certificate, notecards matching the theme of the gift you have chosen, and a letter highlighting the conservation work supported by your gift. Gifts of Nature and donations are tax deductible. Make gift giving easy – we can ship your gifts to you or your recipients! Call 902-425-5263, use the enclosed form or visit nsnt.ca.

ADOPT A BIRD

We are lucky to have a rich diversity of birds in Nova Scotia. Some with year round homes, and others who are seasonal visitors. By adopting a bird you are helping to preserve critical bird habitats in Nova Scotia.

ADOPT AN ACRE OF FOREST

Help protect Nova Scotia's last old growth forests—from rich floodplains and Acadian hardwood, to towering hemlock forests. Your gift will help to ensure that our forests continue to thrive for future generations.

\$75

ADOPT A RIVER

Nova Scotia's rivers provide critical habitats for some of our most imperiled plants and animals. Help preserve these vital ecosystems by adopting an acre of river habitat for someone special in your life.

ADOPT A LYNX

The Canada Lynx is one of our most elusive animals. Sadly, this beautiful animal is under threat due to habitat loss. Help ensure the vast expanses of wilderness this species relies on are preserved by adopting a lynx today.

\$50

ADOPT AN ISLAND

Your symbolic island adoption will help keep islands including the vast 100 Wild Islands coastal archipelago wild, forever. Islands contain ecologically diverse habitats and provide a refuge for birds and other wildlife.

ADOPT A TURTLE

As turtle numbers decline due to habitat loss, adopting a turtle will help ensure that they will always have a place to call home.
